In the bustling metropolis of New York City in the 1920s, a young girl named Ona was growing up as the daughter of Lithuanian immigrants.

Ona's parents had come to America in search of a better life, leaving behind their homeland and all they had known. They worked hard to make a home for themselves and their children in the vibrant immigrant community of the Lower East Side.

Growing up in this setting, Ona absorbed the culture and traditions of her parents' homeland while also embracing the freedoms and opportunities of her new country.

In this evocative memoir, Ona takes us on a journey through her childhood, sharing her experiences of growing up in a close-knit immigrant community, attending school, and navigating the challenges of being a young woman in a rapidly changing world.

Through Ona's eyes, we witness the struggles and triumphs of her parents and other immigrants as they worked to build a new life in America. We

learn about the traditions and customs they brought with them and how they adapted to their new surroundings.

We also see how Ona's generation, the children of immigrants, faced their own unique challenges and opportunities as they came of age in a new country.

A Daughter of Immigrants is a poignant and inspiring story of a young girl's journey to find her place in the world, while also honoring the heritage of her parents.
