The Bill of Rights: A Charter of Individual Freedoms

Drafted by James Madison, the Bill of Rights was ratified in 1791 and comprises the first ten amendments to the Constitution. It safeguards a range of inviolable individual rights, including:

- Freedom of speech, assembly, and religion
- The right to bear arms
- Protection against unreasonable searches and seizures
- The right to a fair trial
- Prohibition against cruel and unusual punishment

The Amendments: Expanding the Scope of Protection

Over the course of American history, 17 additional amendments have been added to the Constitution, further amplifying the Bill of Rights' principles

and extending their reach. Notable among these are:

- The Thirteenth Amendment (1865): Abolishing slavery
- The Fourteenth Amendment (1868): Guaranteeing due process and equal protection under the law
- The Fifteenth Amendment (1870): Granting the right to vote to all citizens
- The Nineteenth Amendment (1920): Granting women the right to vote
- The Twenty-Sixth Amendment (1971): Lowering the voting age to 18
