Written by renowned chess coach and author William Hartston, From Beginning to Winning Chess is a comprehensive guide to the game of chess. The book covers everything from the basics of the game, such as how to move the pieces and how to capture your opponent's pieces, to more advanced topics, such as chess strategy, tactics, and openings. Hartston also provides a number of exercises and puzzles to help you practice your skills and improve your understanding of the game.

Whether you are a beginner who is just learning the basics of the game or an experienced player who wants to improve your skills and become competitive, *From Beginning to Winning Chess* is the perfect book for you. With its clear and concise explanations, helpful exercises and puzzles, and comprehensive coverage of all aspects of the game, *From Beginning to Winning Chess* is the only chess book you will ever need.

What You Will Learn from *From Beginning to Winning Chess*

- The basics of the game, including how to move the pieces and how to capture your opponent's pieces
- Chess strategy, including how to develop your pieces, control the center of the board, and attack your opponent's king
- Chess tactics, including how to fork your opponent's pieces, pin your opponent's pieces, and checkmate your opponent
- Chess openings, including the most popular openings and how to play them
- Chess endgames, including how to win with a king and pawn endgame, a rook and pawn endgame, and a queen and pawn endgame
