As a young woman, she married a moonshiner named Jack Hathcock, and together they embarked on a life of crime. With her keen business acumen and unwavering determination, Louise quickly established herself as a formidable force within the illicit liquor trade.

As the demand for moonshine soared during Prohibition, Louise seized the opportunity to expand her operations. She formed alliances with other bootleggers, established a network of distribution routes, and outsmarted law enforcement at every turn. Her reputation for fearlessness and cunning earned her the title of "Queen of the State Line Mob."
