The book is divided into three parts. The first part covers the history of the RAF Training Command, from its formation in 1918 to its disbandment in 1993. The second part profiles each of the RAF's training units, with information on their history, aircraft, and personnel. The third part contains a selection of photographs of the RAF's training units.

The RAF Training Command Pictorial History is a valuable resource for anyone interested in the history of the RAF. It is a comprehensive and well-illustrated guide to the RAF's training units.

History of the RAF Training Command

The RAF Training Command was formed on 1 April 1918, as part of the Royal Air Force's reorganization after World War I. The command was responsible for training all of the RAF's aircrew and ground staff.

During World War II, the RAF Training Command played a vital role in training the aircrew that fought in the Battle of Britain and other major battles. The command also trained aircrew for the Royal Navy and the Royal Canadian Air Force.

After the war, the RAF Training Command continued to train aircrew for the RAF and other air forces around the world. The command also played a role in the development of new training techniques and equipment.

The RAF Training Command was disbanded on 1 April 1993, as part of a major reorganization of the RAF. The command's training functions were transferred to other RAF commands.

Aircraft of the RAF Training Command

The RAF Training Command operated a wide variety of aircraft over the years. These aircraft included:

- Avro Anson
- BAC Jet Provost

- De Havilland Chipmunk
- De Havilland Tiger Moth
- Gloster Meteor
- Hawker Hunter
- Hawker Siddeley Hawk
- Percival Proctor
- Scottish Aviation Bulldog
- Supermarine Spitfire
- Vickers Varsity

These aircraft were used for a variety of training purposes, including basic flying training, advanced flying training, and operational training.

Personnel of the RAF Training Command

The RAF Training Command was staffed by a variety of personnel, including:

- Aircrew
- Ground staff
- Instructors
- Medical staff
- Administrative staff

These personnel worked together to provide the RAF with the best possible training for its aircrew and ground staff.

Photographs of the RAF Training Command

The RAF Training Command Pictorial History contains a selection of photographs of the RAF's training units. These photographs provide a glimpse into the life of the RAF Training Command, from its early days to its final years.

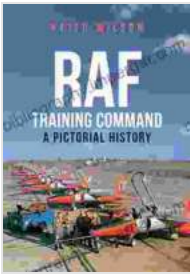

The photographs in the book include images of:

- Aircrew training
- Ground staff training
- Instructors
- Aircraft
- Training facilities

The photographs in the RAF Training Command Pictorial History provide a valuable record of the RAF's training units and the people who served in them.

The RAF Training Command Pictorial History is a comprehensive guide to the RAF's training units. It provides a detailed overview of their history, aircraft, and personnel.

The book is a valuable resource for anyone interested in the history of the RAF. It is a well-illustrated and informative guide to the RAF's training units.
