

# Transdisciplinary Participatory And Action Oriented Approach Advances In

This book presents the proceedings of the 7th International Scientific Conference on Transdisciplinary and Participatory Research and Practice, held in Chişinău, Republic of Moldova on June 20–22, 2019. With a focus on the challenges of the transition period in the Republic of Moldova, the book highlights a transdisciplinary, participatory, and action-oriented research approach, as well as positive examples of civil society actions in the country.

## Agroecology: A Transdisciplinary, Participatory and Action-oriented Approach (Advances in Agroecology)

by Garrett Broad

★★★★★ 5 out of 5

Language : English

File size : 35005 KB

Screen Reader : Supported

Print length : 284 pages

The book is divided into three parts. The first part presents the theoretical and methodological foundations of the transdisciplinary, participatory, and action-oriented approach. The second part presents case studies of successful civil society actions in the Republic of Moldova. The third part presents the s and recommendations of the conference.

The book is a valuable resource for researchers, practitioners, and policymakers interested in the challenges of the transition period in the Republic of Moldova and in the potential of transdisciplinary, participatory, and action-oriented research and practice.
