

# Who Is John Brennan? Greg Rubini Explores the Life and Legacy of the CIA Director

John Brennan is one of the most controversial figures in recent American history. As the director of the CIA under President Obama, he oversaw the expansion of the agency's drone program and the controversial use of torture. He has been accused of lying to Congress and the American people about the effectiveness of the drone program and the legality of torture.

In his new book, "Who Is John Brennan?", Greg Rubini provides a comprehensive look at the life and career of the former CIA director. Rubini draws on interviews with Brennan, his colleagues, and his critics to create a nuanced portrait of a complex and controversial figure.

Rubini begins by tracing Brennan's early life and career. Brennan was born in New Jersey in 1955 and grew up in a working-class Irish-Catholic family.

He attended Fordham University and Georgetown University Law School, and then worked as a prosecutor in New York City.

In 1980, Brennan joined the CIA. He served in a variety of roles, including chief of staff to CIA Director George Tenet. In 2004, Brennan was named deputy executive director of the National Counterterrorism Center. In this role, he was responsible for coordinating the government's response to the 9/11 attacks.

In 2009, President Obama appointed Brennan as director of the CIA. As director, Brennan oversaw the expansion of the agency's drone program. He also authorized the use of torture against suspected terrorists. These policies were controversial, and Brennan has been accused of lying to Congress and the American people about their effectiveness and legality.

In 2017, Brennan was fired by President Trump. Since then, he has been a vocal critic of the Trump administration. He has also written a memoir, "Undaunted: My Fight Against Fear and Enemies at Home and Abroad.

Rubini's book is a fair and balanced account of Brennan's life and career. He does not shy away from Brennan's controversial decisions, but he also provides context for them. Rubini's book is a must-read for anyone who wants to understand the role of the CIA in the War on Terror.

## **The War on Terror**

The War on Terror is a global campaign against terrorism that was launched by the United States following the 9/11 attacks. The war has been waged in Afghanistan, Iraq, and other countries. It has also included the use of drone strikes, targeted killings, and other controversial tactics.

Brennan was a key figure in the War on Terror. He was responsible for coordinating the government's response to the 9/11 attacks and for overseeing the expansion of the CIA's drone program. Brennan has been accused of using torture and other harsh tactics in the War on Terror.

The War on Terror has been a controversial topic. Critics argue that it has been counterproductive and has led to the deaths of innocent civilians. Supporters argue that it has been necessary to protect the United States from terrorism.

## **Drone Strikes**

Drone strikes are targeted killings carried out by unmanned aerial vehicles (UAVs). The United States has used drone strikes in Afghanistan, Iraq, Yemen, and other countries. The use of drone strikes has been controversial, with critics arguing that they are often inaccurate and result in the deaths of innocent civilians.

Brennan authorized the use of drone strikes as CIA director. He has defended the use of drone strikes, arguing that they are a necessary tool in the War on Terror. Critics argue that drone strikes are often inaccurate and that they kill innocent civilians. The use of drone strikes remains a controversial topic.

## **Torture**

Torture is the intentional infliction of pain or suffering on a person. Torture has been used throughout history as a means of punishment, coercion, and interrogation. The United States has used torture in the War on Terror, despite the fact that it is illegal under international law.

Brennan has been accused of using torture as CIA director. He has denied these accusations, but he has also defended the use of torture in some cases. The use of torture remains a controversial topic. Critics argue that it is inhumane and ineffective, while supporters argue that it is sometimes necessary to protect the United States from terrorism.

John Brennan is a complex and controversial figure. He has been praised for his dedication to public service, but he has also been criticized for his involvement in the War on Terror, the use of drone strikes, and the use of torture.

Rubini's book provides a fair and balanced account of Brennan's life and career. He does not shy away from Brennan's controversial decisions, but he also provides context for them. Rubini's book is a must-read for anyone who wants to understand the role of the CIA in the War on Terror.
